

Castelnovo Sotto, 10th March 2014

**SUBJECT: declaration of non-presence of asbestos**

## **CERTIFICATE OF CONFORMITY**

**LANDINI S.p.A.** produces corrugated sheets "**EUROPA**" suitable for covering industrial and civil roofs, in natural grey or painted version, according to the European standard UNI EN 494, C1X class.

The components used are conceived in the context of technological research of new materials, satisfying the most recent ecological and environmental requirements, as for instance:

- cement
- organic fibres (cellulose)
- synthetic fibres (PVA)

**LANDINI S.p.A.**  
**GUARANTEES**

the **total absence of asbestos fibres** on the sheets "**EUROPA**" of its own production.

**LANDINI S.p.A.**
